Minutes of December 2012: Roger moved to approve the minutes and Tracy seconded them. The minutes were approved.

Treasurers Report:

- Total in account \$4816.78
- \$1500 is for Art at the Center
- For Tax purposes if we stay under \$25,000 we do not have to file extra paperwork with the IRS. If we do get one of the grants we are anticipating we will have to file.

Play It Again Sports:

- They will give another sponsorship this year but they will need to meet to decide on an amount.

Art at the Center:

- High Peaks would like to give another \$500 for the Spring Show.
- Kim Culver will cater this show for between \$400-\$500.

Webpage:

- Dale will talk to Alisha about Katrina taking over the CC website except for the Foundation Page. Katrina would like a membership to the fitness center for doing maintaining the website.

Friends:

- For Business membership Jen is working on get window clings. They are 100 for \$187.50. In the end we decided anyone who donates \$50+ will get a window cling.
- We have received \$1600 from this campaign.

Plan for 2013:

1. The Yoga studio needs blinds
2. Volleyball stuff
3. Freezer for ice
4. Boards on the walls and paint in the gym. Roger estimates this will be around \$400. Roger would like to ask us for the money to fix the gym, he will do the labor.
5. Before we can decide on projects for this year Tracy will need to sort out what is committed to other projects. We then can look at our budget and see what we can give.

Adjourned 2:05 pm.
