Nederland Community Center Foundation Board Meeting  
At Mutual of Omaha  
Wednesday, March 5, 2014  
Meeting Minutes  
12:35pm

Minutes from February 5, 2014: Tracy motioned to approve the minutes and Megan seconded them. All approved the minutes.

Our main focus today was to discuss our new strategy to fundraising.  
The current method we have is cumbersome and can be confusing.

Everyone agreed we will call it a donation not a membership. The amount agreed upon for our website would be \$25, \$50, \$100, or other.

Before we can start asking for money we need to define who the Foundation is and who the Community Center is. The goal is to have this out in April sometime.

We will have four maybe five major asks per year.

1. The Wine fest will be our big event done in August.
2. We can do an email campaign around the time of Colorado gives day. We cannot be a part of them but we can use it as a way to ask.
3. Possibly using the January Art at the Center as a planned event to ask. Regardless we should have a table at every Art at the Center.
4. We can have an email campaign in March. This one is not set but maybe this is when we bring the Site Plan back up. After it is approved we can take a section of it and discuss.
5. Planned Giving which will be in June. This year it will be an event but it could be a email ask in the future or we can do more events.

#### Planned Giving

Susan is working on Planned Giving and will be setting up a meeting with several interested groups.

#### Wine Fest

We will start planning the Wine Fest in May. We have decided on Sunday August, 17. Tracy will ask Dawn to put Saturday, August 16 from 4pm through Sunday, August 17.

Adjourned 2pm.
