Chair's Report

- The driveway will have to wait for rain to stop.
- We need to work on the storage and organizing. It would be good to have a task force to help clean the storage room out. Alicia, Dale, Roger, and Jilene offered to help.
- Dale and Jen will go to the conference in October and report back to the foundation.
- We have about 150 visitors per day in the CC.

Art at the Center

The next Art at the Center will be October 13 from 4-6pm.

Friends Campaign

We need to start working on the Friends 2014. We will put this on the October agenda.

New Business

Kim Culver asked if we would sponsor the Witches Ball so they can get a liquor permit. We are concerned about the liability for us. If we did do this we would want them to have a bartender that is T.I.P.S. approved. We don't want our name to be on any advertising.

New applicant

Susan Schneider is interested in being on the board. Jen, Ledge, and Tracy have agreed to meet with her.
